

24 OCTOBER 1983

Col. 62

RAF Woodbridge (Alleged Incident)

Sir Patrick Wall asked the Secretary of State for Defence (1) if he has seen the United States Air Force memo dated 13 January 1981 concerning unexplained lights near RAF Woodbridge;

(2) whether, in view of the fact that the United States Air Force memo of 13 January 1981 on the incident at RAF Woodbridge has been released under the Freedom of Information Act, he will now release reports and documents concerning similar unexplained incidents in the United Kingdom;

(3) how many unexplained sightings or radar intercepts have taken place since 1980.

Mr. Stanley: I have seen the memorandum of 13 January 1981 to which my hon. Friend refers. Since 1980 the Department has received 1,400 reports of sightings of flying objects which the observers have been unable to identify. There were no corresponding unexplained radar contacts. Subject to normal security constraints, I am ready to give information about any such reported sightings that are found to be a matter of concern from a defence standpoint, but there have been none to date.
