

an unidentified light was above PALERMO,
SICILY for 2 consecutive days. Palermo was
the limit of my first journey abroad to trace
my ancestry in Naples and South Sicily.

During 11/1978, I suddenly became psychic
after 2 years isolation (due to a motor road
accident and B.O. research.)

Psychokinetic knocking of furniture and glass
objects, especially TV screens has occurred
sporadically 1979 onwards. 4 years were spent
at the S.A.S.B., 33, BELGRAVE SQUARE, LONDON,
SW1 with several mediums who are psychic.

It is appreciated how much work air
traffic controllers have to concentrate^{on}; if
any government ^{official} asks whether Heathrow could
handle the landing of a UFO spacecraft, please
