

May I say that the R.A.F. do a marvellous job for this country as do all the forces but I feel the R.A.F. is special to me. I love aeroplanes.

I would very much like to help the R.A.F. Northern Charity if that would be possible could you let me have an address I could write to, or if you have any raffle tickets to sell I'll be happy to do so.

I think your "great bunch of lads" and should all be more thought of hope you don't mind me saying so but your great and we need you in this country to-day.

God Bless You All

Section 40

P.S. Pass on my regards to the Red
