

Section 40

Barnstable

Devon.

Dear Sir,

I would like to relate to you an experience that happened some three months ago, which I think you may be interested in.

On May 16th, 1985, as I was in my back garden, planting some tulips, when for some reason, I was compelled to look into the sky. Approaching from the direction of near by Ilfracombe, I saw a large cylindrical shaped object, with a light at each end, traveling east.

The object stopped some distance from my cottage, turned on its axis and vanished.

I will admit that I have had an interest in UFO reports, hence I wrote to you, but this experience really shook me up.

Now I have related my experience to you, I hope that that will
