Dear Section 40
 Please see the attached note from Section 40 advising that they have released the documents which found on file DI55/108/15/1 part 32. Section 40 suggests that the file should be annotated to show which papers have been released. I am happy to do this if you are too busy. Thanks

Teresa

The documents on the House of Lords Debate on UFOs which you kindly found for the Code request made by Section 40 have now been released to him along with some other documents from one of our files. The Code says that when material is released, the file should be noted accordingly. I would, therefore, be grateful if you could arrange for a note to be put on the Minute side of the file (DI55/108/15/1 Part 32). I suggest something along the lines of the following;

Enclosures 1/1, 1/2, 1/3 and 1/4 from this file were released into the public domain on 9 December 2002 following a request made under the Code of Practice on Access to Government Information by Section 40. Names and signatures of individuals were removed in accordance with the Data Protection Act 1998.

Further details can be found on Directorate of Air Staff file D/DAS/64/3/11 - Part C - UFO Persistent Correspondent - Section 40

Thanks again for your help.
