Reference:

A. Telecon Col Section 40 051730A Aug 85.

1. Enclosed are a brief report and polaroid photographs of the scene together with an extract from the HAMPSHIRE CHRONICLE reporting similar occurrences.
2. Four films, 2 x 100mm Colour, 2 x 35mm Black and White, of ground and aerial photographs of the scene have been given to MOD CS(Rep S) Photography Section 40 with instructions to forward prints and negatives to you.
3. The films are the private property of Section 40 and I would therefore be grateful if the negatives could be returned to me as soon as possible so that I can give them back to him. (With some prints if possible for services rendered).
4. Purely incidentally, Section 40 was an official observer and film camera man at the BIKINI ATOL Atomic Explosion in 1952.
