Nobody knows why or whence they come, but every year since the last war, the perfectly regular circles have appeared somewhere. For the last five or six years, they have materialised between Alresford and Winchester, first at Cheesefoot Head, this year at Matteriey Farm, just off the A31. Similar phenomena have been reported in Australia, Canada, Sweden and in other parts of the British Isles including West-hury and Warmineter. The largest in this group is about 40 feet across, the rest are 11 or 12 feet. In each the corning swirted clockwise round the rings, whilst ontside it is untouched.
